SPENCER SOFTWARE NO LONGER SUPPORTED

Issue Date: January 25, 2005
Effective Date: January 25, 2005
Section/Group: CICS Group
Submitted by: Beth Maggio
Approved by: Clair Christensen

ITS would like to notify all agencies currently using any of the Spencer Software products (Super Edit, Super Windows, Super Painter, and Super BMS) that these products are no longer supported by the vendor. If the agency is willing to support the product, it may be possible for the agency or agencies to acquire the source for the software.

Please notify the CICS Group of any concerns you may have at (801) 538-3179.
